Founder Clarity Guide

A strategic workbook for founders who are done guessing.

Most founders are not failing because they lack effort. They are failing because they lack clarity. They know they want to grow — but they cannot articulate exactly what growth looks like, who it is for, or what the next right move is. This guide exists to fix that.

This is not a vision board exercise. This is strategic clarity — the same process I work through with every consulting client before we build anything. Work through it honestly. The answers you find here are the foundation for everything that comes next.

HOW TO USE THIS GUIDE

1. Block 60–90 uninterrupted minutes.
2. Work through each section in order — do not skip.
3. Be brutally honest. Vague answers produce vague results.
4. Come back in 30 days and redo it. Clarity compounds.

"You don't have to know every step. But you do need to be clear on where 'there' is."

— Katarina Raskovic, Asset District

PART 01

Your Business Reality

Understand exactly where you stand before planning where you're going.

Before strategy, before goals — you need a ruthlessly honest picture of your business today. Not what it could be. What it actually is right now.

DESCRIBE YOUR BUSINESS IN ONE SENTENCE

Not aspirational — what it actually is today. Who you serve, what you sell, how.

CURRENT OFFERS & PRICING

OFFER	FOR WHO	PRICE	MONTHLY SALES

WHAT IS WORKING RIGHT NOW?

Specific — what is actually bringing in revenue or clients?

WHAT IS NOT WORKING?

Where are you stuck, leaking energy, or actively avoiding?

BIGGEST OBSTACLE TO GROWTH RIGHT NOW

The one thing that, if removed, would change everything.

PART 02

Your Ideal Client

Vague targeting produces vague results. Get obsessively specific.

The fastest-growing founders are not trying to reach everyone. They have one specific person in mind – and every offer, every piece of content, every conversation is designed for that person.

THE PREMIUM POSITIONING TRIANGLE

SPECIFIC PROBLEM	SPECIFIC OUTCOME	SPECIFIC PROOF
Not "I help businesses grow." But "I help service founders build a client acquisition system."	Not "better results." But "a full pipeline within 90 days."	Not "years of experience." But a named result, project, transformation.

DESCRIBE YOUR IDEAL CLIENT IN DETAIL

Industry, business stage, main challenge, what they want, what they read, where they invest money.

THEIR BIGGEST PROBLEM

The one that keeps them up at night and they would pay to solve.

WHY SHOULD THEY CHOOSE YOU?

A specific outcome – not a list of services.

YOUR POSITIONING STATEMENT

Complete: I help [WHO] who struggle with [PROBLEM] to achieve [RESULT] within [TIMEFRAME].

PART 03

Revenue & Goals

Clarity without numbers is just a vision board. Make it real.

Ambitious founders resist writing numbers because numbers create accountability. That discomfort is exactly why you must write them. If your goals don't make you stretch, you are playing too small.

REVENUE TARGETS

TIMEFRAME	TARGET (\$)	CURRENT (\$)	GAP (\$)

REVERSE-ENGINEER YOUR GOAL

OFFER	PRICE POINT	UNITS NEEDED / MONTH	= MONTHLY REVENUE

THE ONE THING THAT WOULD CHANGE EVERYTHING

If you could only focus on one thing in the next 30 days – what would it be and why?

PART 04

Your 90-Day Plan

Everything you've written now becomes a plan. 90 days. Three clear phases.

A 90-day window is long enough to produce real results and short enough to stay focused. Each month has one purpose. Do not skip ahead.

MONTH 1

Foundation

Clarity, structure, the right offers in place.

- ☐ Define your ideal client with precision
- ☐ Finalise your core offer and pricing
- ☐ Set up your email list and lead magnet
- ☐ Begin posting content — minimum 3x per week

What MUST Month 1 achieve for you?

MONTH 2

Momentum

Visibility, pipeline, first real conversations.

- ☐ Publish 3–4 pieces of strategic content per week
- ☐ Start 10 genuine outreach conversations per week
- ☐ Follow up with every warm lead from Month 1
- ☐ Book first discovery calls

What MUST Month 2 achieve for you?

MONTH 3

Growth

Convert, optimise, scale what works.

- ☐ Convert discovery calls into paying clients
- ☐ Collect testimonials from first clients

☐

Identify what is working and double down on it

☐

Map your next 90-day sprint

What MUST Month 3 achieve for you?

WHAT HAPPENS NEXT

You now have a plan.

Most founders never get this far. Use it.

Share it with someone.

Accountability accelerates everything. Tell one person your 30-day focus today.

Put it somewhere visible.

Print it. Review it every Sunday. The gap between knowing and doing is closed by repetition.

Come back in 30 days.

Redo this guide. You will be surprised how much has shifted. Clarity compounds.
