CHECKLIST

Diagnose where your business is strong.
Identify exactly where you are leaking revenue.
Build a clear action plan from the results.

HOW TO SCORE

- 1 – Nonexistent – not in place at all
- 2 – Weak – started but inconsistent
- 3 – Developing – partially in place
- 4 – Strong – mostly consistent
- 5 – Excellent – fully optimised

Business Audit Checklist

A diagnostic tool for founders who want to know exactly where they stand.

Score each item honestly from 1 (nonexistent) to 5 (excellent). Do not score what you aspire to — score what is actually in place today. The gaps you find here are your growth roadmap.

INTERPRETING YOUR SCORE

200–240 Excellent — you have strong foundations. Focus on optimising and scaling.

160–199 Strong — a few key gaps to address. Prioritise the lowest-scoring sections.

120–159 Developing — significant gaps exist. Work through sections 1–3 first.

80–119 Needs work — focus on Strategy, Offer, and Sales before anything else.
